01 PROFILE

Experienced Laravel Developer with a proven track record of building dynamic, user-friendly websites and applications for over 4 years. Over the past few years, I have successfully developed and launched multiple projects, including e-commerce platforms, real-estate websites, employment websites, and educational platforms. My expertise lies in Laravel, PHP, MySQL, API, HTML, CSS, JavaScript, Ajax, and jQuery, and I thrive in creating seamless, scalable solutions that meet client needs. Passionate about continuous learning and problem-solving.

02 EMPLOYMENT HISTORY

07/2020 — Present

Web developer at Blue Ray for web solution

Amman

- Develop web applications using the Laravel Framework and other technologies and tools. Designed and implemented Laravel-based solutions that took advantage of the features of this powerful framework.
- Worked on over 40 projects effectively with databases using MySQL and implemented API joins using Laravel and Ajax technology to improve application performance and enable content loading without page reloading.
